

# Child Scholarship Application

The Willamette Art Center strives to offer the most affordable summer arts workshops for youth in Salem. We understand that some families are bound by many financial obligations, which would prevent them from participating in our summer program without scholarships. A very limited number of scholarships are offered each summer. Please submit this application only for students who otherwise could not take any workshop during this summer, not simply to reduce the cost of taking multiple workshops.

Scholarships will be granted to applicants subject to availability. We are unable to offer more than one scholarship per student and cannot guarantee each student their first choice of workshop.

Once you have completed and mailed or e-mailed this form along with additional attachments, look for a confirmation by mail or e-mail to verify that you are enrolled in the workshop. We must receive all required materials before considering a student for a scholarship.
