

## **WAC Scholarship Policy**

Adopted by the WAC Board: December 10, 2024

### **WAC Scholarship Policy**

The Willamette Art Center strives to offer Salem's most affordable classes and workshops. Even our low prices may be out of reach for some individuals and families. If this describes you, please consider applying for a scholarship. The WAC awards scholarships depending on fund availability and financial need. The scholarship will cover the class or workshop fee. Applicants may apply once a calendar year. We expect awardees will attend at least 80 percent of class sessions to ensure eligibility for future scholarship awards.

More than one unexcused absence may result in revocation of open studio access conferred through the scholarship.

#### **Application Procedure:**

- Complete the appropriate online applications found at [willametteartcenter.com/support/scholarships](http://willametteartcenter.com/support/scholarships) before the start of the session.
- The Executive Director will review applications.
- A member of the WAC staff will contact you within two weeks of the date you submitted the form.

Effective immediately.

Ratified by the President of the Willamette Art Center:
