The Willamette Art Center strives to offer the most affordable classes and workshops in Salem. We understand that some families are bound by many financial obligations, which would prevent them from participating in our art program without scholarship assistance. A limited number of scholarships are offered each year and will be distributed based on a demonstration of financial need as they are received.

Scholarships will be granted to applicants subject to availability. We are unable to offer more than one scholarship per student and cannot guarantee each student their first choice of class or workshop. Priority in scholarship allotment will be given to youth participants.

You will be notified by e-mail or telephone if you are chosen as a scholarship recipient.
