

WAC Raku Firing Policy

Author: Nikki Svarverud

October 6, 2014

Policy:

Non-raku class members' pottery pieces will **not** be fired during the raku class. They will be fired at another time by a designated person.

Procedure:

- Non-raku class students' and raku students' pieces will be placed on different clearly marked shelves.
- Raku student pieces will be fired during class.
- A designated person will fire non-raku class members' work when a full load is ready.
- Special firing requests are to be worked out with Staff.
